

News- On 14 May 2019 we are changing our clinical computer system. The same system is already in use at all the other surgeries in North Herts and Hertfordshire Community Trust. The result will be better integration of services and communication.

PLEASE NOTE- for several weeks from 15 April there will be a change to the doctors' appointments on offer. **During this period there will be no 2 weeks ahead appointments, just ones 24 hours in advance or on the day.** This is a temporary measure and is intended to help ensure a smooth transition to the new system. If you have regular repeat medication you may order 2 months' supply between now and 14 May 2019.
