

Where do I go for my appointment?

Sollershott Surgery in Letchworth
44 Sollershott East, Letchworth,
Herts SG6 3JW

Will the Healthcare Professional I see have access to my medical record during my appointment?

Your medical record will, with your consent, be available to the GP, Practice Nurse or Healthcare Assistant that sees you to ensure that they have the information they need to give you the best possible care. Notes of your appointment will be sent back to your own GP Practice to ensure that your record is up-to-date. An appointment with this service will be just like an appointment at your own GP Practice.
